

WHO CAN ATTEND

The Winter Retreat is designed for people who are serious about knowing or serving God and seeking to deepen their fellowship with Him. We ask that only mature young people, aged 18 or older, join us for the week. If you have a question about age requirements or room arrangements, please ring before you book.

WHAT TO BRING

Bed linens will be provided, as well as one towel. Be sure to bring your Bible and pen, an extra blanket, flannels,

any required toiletries, recreational money for the cafe and visiting local towns, several changes of clothes for activities and services (as this is a Christian retreat, please make sure your clothing is appropriate and modest), and an extra pair of hiking boots/wellies for local hikes. Please bear in mind, it will be cold this time of the year. Clothing and accessories to help you keep warm are not an option but a necessity!

THE COST

The cost for each person is £190 (concessions £175.00) if completed online for the week. There will be an additional £10 cost for bookings received after Monday, 5 February. The £190 (£200 for late bookings) includes the cost of food and lodging for the week, as well as a Winter Retreat t-shirt and journal.

WHY SHOULD I ATTEND THE

Winter Retreat?

One of the most important times in life is university and early career age when we make exceptionally important decisions regarding what we will do, if and who we will marry and the type of Christian life we are willing to lead. The influences of secular society and pressures of financial and family obligations can often make the right choices difficult to discern. For these and other important reasons, the Crown Christian Heritage Trust provides a Winter Retreat for people to come away from the busyness of life and enjoy five days of Bible teaching, prayer, Christian fellowship and encouragement to follow Christ.

THE MEETINGS

Receiving spiritual encouragement is vital in the Christian life. At the Winter Retreat, morning meetings are themed towards practical, helpful topics and involve group discussion and Bible study. The evening meetings are geared toward presenting Biblical truths by which we are challenged to go further with Christ. Fellowship with other believers from across the United Kingdom is always a boost as well, whether during an activity, at meal time or in free time. The Winter Retreat aims to provide a specific time away from the distractions and cares of every day life to be spiritually uplifted, challenged and refreshed.

THE ACTIVITIES

A wide range of activities are available throughout the week to suit a variety of interests. Our venue offers several on-site options for those who would rather not travel. There are 2 sports halls, 3 tennis courts, a football pitch and a selection of indoor opportunities, such as table tennis, air hockey and table football. Being situated in the beautiful region of mid-Wales, there are an unlimited amount of breathtaking views. Numerous trails are nearby through which to wander and take in the fresh air. Outings have been organised for the week if you wish to join others in exploring the beautiful scenery of Wales. There are activities for everyone!

THE LOCATION

We are thankful for how God has blessed the Winter Retreat in years past and for the opportunity to meet once more at Cefn Lea! This is a lovely Christian conference centre and holiday park located in scenic mid-Wales.
