Magnify the Lord with me... *Psalm 34:3*

February 2020

WHY SHOULD I COME TO THE *Winter Retreat?*

One of the most important times in life is university and early career age when we make exceptionally important decisions regarding what we will do, if and who we will marry and the type of Christian life we are willing to lead. Sadly, for many people, these urgent issues are made with little time to reflect upon God's Word and His will. The influences of secular society and pressures of financial and family obligations can often make the right choices difficult to discern.

For these and other important reasons, the Crown Christian Heritage Trust provides a Winter Retreat for people to come away from the busyness of life and enjoy five days of Bible teaching, prayer, Christian fellowship and encouragement to follow Christ. You will meet others of similar age who have a desire to know and serve God in a meaningful way.

This year's theme is taken from the 34th chapter of Psalms, the third verse; 'O Magnify the Lord with Me.' All around us people are labouring to magnify themselves; it is our desire to encourage the exaltation of Christ, believing that if He be lifted up, will draw all men unto Himself. Make plans on joining us this year!

The Meetings

Receiving spiritual encouragement is vital in the Christian life. At the Winter Retreat, morning meetings are themed towards practical, helpful topics and involve group discussion and Bible study. The evening meetings are geared toward presenting Biblical truths in which we are challenged to go further with Christ. Fellowship with other believers from across the United Kingdom is always a boost as well, whether during an activity, at meal time or in free time. The Winter Retreat aims to provide a specific time away from the distractions and cares of every day life to be spiritually uplifted, challenged and refreshed.

The Activities

A wide range of activities are available throughout the week to suit a variety of interests. Our new venue offers several on-site options for those who would rather not travel. There are 2 sports halls, 3 tennis courts, a pitch and putt course, crazy golf, frisbee golf and a selection of indoor opportunities, such as table tennis, air hockey and table football. Being situated in the beautiful region of mid-Wales, there are an unlimited amount of breathtaking views. Numerous trails are nearby through which to wander and take in the fresh air. We have organised a couple of outings for the week if you wish to join others in exploring the beautiful scenery of Wales. There is something for everyone!
